

MACKOUL RISK SOLUTIONS

Specializing in insurance for cooperatives, condominiums, and apartment buildings, Mackoul has been customizing insurance plans for property owners and managers since 1987. Our expertise, loss control, and ability to deliver insurance products through a vast array of insurance carriers enable us to provide comprehensive coverage, often at significant savings. Whether you are a landlord, managing agent, or on the board of directors, we provide resources to help you. We make it easy for you to get comprehensive coverage with customizable options.

Our goal is to provide unmatched quality service by combining the power of digital technology, forward-thinking, and a personable, knowledgeable staff.

COMMERCIAL INSURANCE

Commercial Insurance is our specialty. Sometimes, your real estate property or community association demands more—more options, coverage, and expertise. Our solutions are driven by listening to you and finding unique solutions for your unique insurance exposures.
