See what our homeowners had to say

“They promote our house on thousands of websites and take over our entire rental administration. Since we’ve been renting out, we don’t have to worry about much anymore. Ideal.”

Karen Hoogland and Rein Boon

“Through the cooperation, I feel supported in my rental activities. This gives us the opportunity to be a good host and hostess.”

Jos and Ellie de Vaan

“In our first year, we tried renting out our holiday home ourselves, but we hardly got any bookings. After that we started renting out through here and now we are almost always fully booked!”

Gerrit Verkerk

“I do have a lot of confidence that flexible pricing will result in even more bookings. So far, the advice given has always turned out very positive.”

Linda Veldboer

“Our professional caretaker acts as our eyes and ears on the spot. You couldn’t have wished for better!”
