Tuscano Blend

### VALORÉ SHAKE

Varied textures and profiles provide the natural visual shifts in color and shading that occur with real, hand-split cedar in a single-width style.

## 6 EASY STEPS TO A NEW DaVinci ROOF

A new roof is one of the largest investments you'll make in your home. It can be a bit scary, but DaVinci makes it easy.

They are worried  
this sounds  
overwhelming

1. Get more information by visiting [www.davinciroofscapes.com](http://www.davinciroofscapes.com) or talk with your local contractor.
2. Select the DaVinci product that best fits your needs.
3. Review the wide variety of standard colors and determine if one is perfect for your home.
  - If not, use the DaVinci Color Studio to create your own custom blend.
4. Schedule installation.
5. Smile as the neighbors "ooh" and "ah" at your beautiful new roof.
6. Enjoy your new DaVinci roof for the next 50 years or more!
