

Whether you live in a luxury high-rise, a single-family home or even on a yacht, choose an ElectriChef and turn your grilling area into a true professional grade, outdoor kitchen.

**Island Built-in**

Designers love the look, homeowners love the convenience

**Closed-base**

High-performance flameless grilling on wheels, with built-in storage

**Tabletop**

Compact, portable but with the 600° grilling power of its bigger brothers

To learn more about the ElectriChef line of high-performance flameless electric grills, call us at 800.442.7207 or visit [electri-chef.com](http://electri-chef.com)

At last, high-performance flameless grills for serious grilling—on your deck or 20 floors up.

# No tanks to refill, no messy coals to ignite, just great tasting food smoked in its natural juices.

First developed for luxury condominium owners who couldn't have gas or charcoal grills, the ElectriChef flameless Safire and closed-base grills have gone mainstream. You'll find them in the backyards as well as on the balconies of serious grill masters everywhere. Here's why:

- Industrial-grade, stainless steel construction—built to last for years
- Digital read-out on all models to allow for precise, even temperature control up to 600°—for that perfect, juicy sear
- Stainless steel cooking grids and drip trays designed for easy removal and cleaning
- Built-in timer with automatic shut-off
- Wide variety of sizes ranging from 14" X 16" (224 sq. in. grilling area) to 22" X 48" (1,056 sq. in. grilling area)
- Made in the USA and delivered fully assembled

Required Outlet:  
Nema 6-20R Receptacle, 208/220  
Volt 20 Amp receptacle, 50/60 Hz

## The Safire 115V Stainless Steel Grill

Our compact Safire model has the same, 600° grilling power as our larger, 220V grills but plugs into ordinary 115V/20AMP household current. The Safire is portable, too, or it fits into an optional, wheeled base for use as a standalone unit.

*Perfect for: Apartments, Condos, Homes, Multi-family Dwellings, Motor Yachts, Motor Homes and RV's*

## The 4400 Series 24" Closed-Base Grill

ElectriChef's 4400 Series closed-base 220V grill combines high performance flameless grilling with the ease and utility of integrated storage and mobility. It also features sturdy side shelves that fold down when not in use. After you're finished grilling, store utensils and accessories in the spacious cabinet underneath. Then wheel it out of the way.

*Perfect for: Apartments, Condos, Homes and Multi-family Dwellings*
