Dear Business Professional:

Thank you for taking the time to read this letter. We at NFS would like to take a few moments to introduce you to our company and its products.

NFS is one of the largest full service fence installation and manufacturing companies on the East Coast. We have been in business for over 30 successful years and base our success on always striving to exceed our customer's expectation. We have a 4-acre facility on Route One where we stock all types of fence material and manufacture our own lines of Aluminum, Steel, Backstops, Vinyl, Gates, and Rental Fence Panels. A brief summary of the products we manufacture are listed below.

GEMSTONE® Aluminum Fencing and INTREPID® Ornamental Steel Fencing contains residential, commercial, and industrial fence systems that are designed to meet any applications. We can customize any product designed to meet the needs of your application.

The Arch® Backstop is a functional, durable, and great looking addition to any ball field. This product is manufactured in 30 through 62' widths and can be custom designed to fit any application.

CLASSIC VINYL FENCE® is manufactured from the best extrusions in the industry. These products are backed with a lifetime warranty and be sure to ask us about our introductory specials.

EZ SLIDE ALUMINUM SLIDE GATE® and our STEEL GATE systems allow for ultimate flexibility in custom building the perfect gate for any project. These products are available in stock sizes/styles or can be built to order.

All manufactured products are produced from raw materials that are made in the United States. All products are manufactured to meet or exceed industry standards. We warranty our products ourselves. We are certified with the State of NJ as a Category 5 approved Small Business Enterprise. Our bonding capacity is \$ 4 million. We are a certified Minority Business Enterprise with the NJ Department of Transportation and NJ Transit as an MBE on State funded projects. All of our products can be viewed at www.nationalfencesystems.com.

We appreciate all opportunities to service all your fencing needs.

Best Regards,
