FIRE SUPPRESSION

Wet & Dry Systems, Deluge, Fire Pumps, Backflow Preventers, Fire Hydrants, Service Mains, Special Hazard Systems

OLIVER is the premier provider of fire suppression systems in the region creating solutions for any client. Whether it's new construction, retro-fits, or modifications/additions our team's expertise lies in knowing the codes, costs, and customer's needs.

INTEGRATED SECURITY

Access and Entry, Burglar Alarms, Video Surveillance

OLIVER leads the industry for integrated security. Our company designs and installs several types of systems including biometric and fingerprint access control systems, single door and keypad access security solutions, and RFID access control systems leveraging cell phone technology as credentials.

FIRE ALARM & LIFE SAFETY

Fire Alarms, Gas Detection, Flame Detection, Vesda Air Sampling, Radio BDA

OLIVER meets modern code and facilities challenges with an innovative, leading-edge approach to creating, installing, and troubleshooting fire, life safety, and security solutions. Whatever your fire, life safety, and security needs are, **OLIVER** representatives are ready to custom design a solution that fits your requirement.

INSTALLATIONS

OLIVER can ensure your systems are designed and installed to meet all of the local and national fire protection and security codes. Materials and equipment are fabricated and shipped directly from our 15,000 square foot warehouse located in our office headquarters. Since 1957 the **OLIVER** team has partnered with the most complex facilities to ensure their greatest assets are protected. Outstanding safety, quality, and service are our foremost objectives.

SERVICE & MAINTENANCE

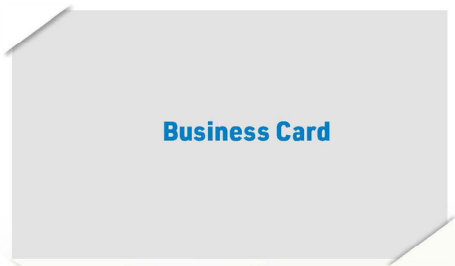

24/7 Emergency Services, Fire Sprinkler and Alarm Service Protection and Maintenance, Central Station Monitoring

OLIVER means dedication, commitment, service, and quality. These words have been our foundation from our beginning in 1957. We understand that lives and property depend on us. That's why we make ourselves available 24/7. Our Service Technicians have fully stocked vans ready to service your safety and security solution.

INSPECTIONS & MONITORING

Fire Sprinkler, Security, Fire Alarm, Fire Extinguishers, Ansul Systems, Roll Up Doors, Emergency Lights

OLIVER will work with you to design a maintenance or inspection program that fits your needs with inspections; monthly, quarterly, semi-annually, or annually. It is critical that your system works when you need it, schedule your inspections and monitoring now.

OLIVER
