

Since 1918

**Onorati Construction Inc.**

**Paving Contractors**

**Heavy Duty, Industrial Equipment.**

Onorati Construction Inc., a family owned and operated business, has provided professional services for over 85 years. We are a successful third generation company committed to quality and detailed workmanship.

Our years of experience and industry expertise assist our customers by providing a course of action that best meets their needs. Our company goal is to recommend and implement long-term solutions for site management.

## Equipment

Onorati Construction, Inc has an extensive fleet of modern and well-maintained equipment to meet specific project needs.

## Site Analysis

Onorati Construction offers complete site analysis which provides Real Estate Professionals, Facilities Managers, Maintenance Managers, Building Managers, and others responsible for property maintenance, with information that assists in planning and budgeting. Site analysis can help you anticipate and control costs.

**The Meadows Office Complex.**

Proper asphalt repair requires the complete removal of damaged material down to a sound sub base. After installing the requisite amount of sub base material the repair is completed with 2 inches of asphalt surface.
