

Who We Are

Paragon Mills has been providing wholesale floor covering to the trade since 1979. We specialize in working with builders, contractors, remodelers, designers, shop-at-home, property managers, architects, fire/water damage restoration companies, retailers and more. We feature all major name brands wholesale direct from the mill.

Grow Your Business

Paragon Mills can provide you with a full set of commercial & residential samples at no charge. All products are offered at the lowest wholesale prices so you can earn greater profits.

Trade Only Showroom

Visit our newly renovated 1,700 square foot showroom featuring all the latest floor covering designs and trends. We can work with you or your customer in selecting a floor that meets your current project needs. Custom installation and layout are always available. Big or small, we do it all!

Project Management

No time to sell? We can make the sale for you! Let us handle the entire project including floor selection, free measure, collecting payment and custom installation. You may send your customer to our new showroom by appointment, so we may give them the time and attention they deserve. We never discuss pricing unless you direct us to do so. Contact us for details about this exciting program and how you can start to immediately earn cash back.
