

TERRACARE GOES FURTHER... EVERY SEASON

Our goal is to be the one you depend on for all of your outdoor services, year-round. Our customized plans and clear contracts set expectations...and we constantly work to exceed them. We want to amaze and thrill our clients. That's the Terracare difference!

WE BRING YOU THE VERY BEST:

- A dedicated, uniformed and professional team who knows your property.
- A Project Manager who is focused on ensuring that your property is always at its best.
- Top-of-the-line trucks and equipment.
- Outstanding leadership and customer service.

Terracare is here for you
24 hours a day, 7 days a week,
year-round!

We look forward to
getting to know you!

We Make Every
Season Beautiful

TERRACARE

THE ART OF LANDSCAPING, REDEFINED.

Landscape Design | Build | Maintain
Snow Removal | Exterior Cleaning

● Since 1988 ●

When it Comes to Service, Our Roots Run Deep.

Your total solution for beautifully managed landscaping.

Since 1988, Terracare has harnessed our commitment to quality and impeccable execution to become one of the premier landscape design | build | maintain firms in Northern New Jersey and beyond.

From our professional offices in Oakland, New Jersey, we take an owner's eye and personal approach to every client relationship. We know how to execute beautifully – on time and on budget. We get it done... and we truly love what we do!

- *Make landscaping a defining feature of your property.*
- *Create a resort-like setting.*

LOVE YOUR OUTDOORS

Led by our founder and CEO Gary Kayal, Terracare's professional, dynamic team brings a passion for landscaping and a strategic, artistic mindset to create and build defining outdoor experiences. We draw on the unique attributes of each property to create timeless designs that will look as fresh in 30 years as they do today.

YOUR PROJECTS ARE OUR PROJECTS

Planting projects carefully consider each property's unique sun and soil needs.

We can enhance your outdoor domain and fulfill every dream on your wish list.

TERRACARE'S HANDS-ON DESIGN APPROACH

Consultation – Property Assessment – Coverage Analysis – Design Presentation – Landscape Plan
